Summary: Hiccup and I have been friends for years. But when I began to have feelings for the brunette, it complicated things. A HiJack Modern AU

The Lost Letter

This is a filler document.

It means I have part of the story written, but I haven't published it for one of the following reasons:

I was on my tablet when creating the story

I lost my thumb drive somewhere in the eternal abyss that is my bedroom.

I rushed it before going to school

I rushed it before doing something with my family

Laziness.

End
file.
